# WANTED: Grape Stomp Teams!

C'mon down to Old Munichburg to get your very own purple foot in the 3<sup>rd</sup> annual **Stompin' Out Blindness!**

Jefferson City Host Lions is staging a Grape Stomp in conjunction with the city's "south side" Oktoberfest on **Saturday, September 26, 2009**

**Stomp starts at Noon!**

Grape Stomp proceeds benefit the Missouri Lions Eye Research Foundation.

## Grape Stomp Team Classes

**Media Mash** – Jefferson City's local newspaper, radio, and television personalities have volunteered to get the barrels warmed up (both promotionally and literally) for a "grapes of media" story op in the making!

**Stump 'n Stomp** – Political candidates and public officials "go grape" with one minute of stumping and two minutes of stompin' for a \$100 per team donation!

**Business Bunch Challenge** – Local businesses "show me the grapes" going foot to foot with the competition for a \$100 team donation!

**Oktoberfest Open** – Everyone else is invited to test their tootsies in the barrels and show the rest of the classes what "getting graped" is all about for a \$30 per team donation!

**The team in each class stompin' out the most juice wins!**

Note: Each team consists of 3 team members – two stompers -- stomping 1 ½ minutes each -- and one swabber to keep the drain cleared and allow juice to drain.
